

**Benjamin Logan Middle School Receives Two
Prestigious Awards**

Benjamin Logan Middle School received two honors from the State Board of Education. For the second year in a row, Benjamin Logan Middle received the Momentum Award, which is a way of recognizing schools that received A's on every Value-Added measure included on the Ohio School Report Card.

As a Momentum Award winner, a school's report card shows that a school is committed to its students' success by ensuring students exceeded the growth expectations in English Language Arts, Science and Mathematics. Success like this is reflection of the commitment, motivation, and hard work of the students and staff at Benjamin Logan Middle School.

The second recognition received from the State Board of Education was the Overall A Award. As an Overall A Award winner, the students demonstrated high academic performance. The staff can be credited toward building bright futures for students of every background and ability level.
