Dear Parents,

We are excited to announce the 6th annual Middle School Relay for Life this year will be held on Tuesday, May 15th. This is a great opportunity for our students to help support a great cause and have fun all at the same time. To make the Relay a huge success, we are still in need of a few donations. We are looking for donations of the following items for the day of the Relay.

Cases of water

Individually packaged powder drink mix packets for bottled water

Bottled sports drinks (like Gatorade)

Freeze pops

Capri Sun/hugs (small drinks)

prepackaged individual servings of chips/snacks/cookies

Suckers

Candy Bars

Hotdogs

Food donations can be turned in to the Middle School Office or to your student's homeroom teacher any time between now and Monday, May 11th.

Your donations would be used to make our Relay for Life a huge success for our students and more importantly, for the Relay for Life organization. Donations would be used for prizes and rewards for games, concessions, and treats for students and helpers. If you are able to donate, please contact the middle school for more information.

Along with games and concessions, we hold a silent auction each year. If you'd like to donate something for the silent auction please label it "Silent Auction" before sending it to the MS office. In the past students have raved over Raider-wear and sports equipment! Any and all donations are greatly appreciated.

Attached are the Relay for Life Pledge Sheets. We will be honoring cancer survivors and remembering those who have lost their lives to cancer by walking the track; our goal is \$1000 per grade level. For all students donating a \$100 or more will be put in a drawing for a pair of Beats Headphones and receive an ice cream treat as well. Also, they will receive a wrist band to be able to play all games for the entire day and receive a ticket for a hotdog, bag of chips and a juice bag. In addition, there will be prize drawings for students who donate \$25 up to \$99.

The best part of the entire day is the Relay for Life will be a **Survivors Lap** that concludes the day. We want to invite any one that is a cancer survivor to join us this year at 2 pm to celebrate life! If you are a cancer survivor and would like to take part in the Survivors Lap, please contact the middle school office for check-in times and locations of the lap.

This year we have a Middle School Relay for Life T-shirt that was designed by students here at Benjamin Logan Middle School. If you would like to see the T-shirt design or if you are interested in purchasing a T-shirt, information and order forms can be found on the Middle School website.

Thanks so much for your support, without your donations this year's relay wouldn't be possible. Last year, the HS and MS raised a combined total of \$35,000!! We look forward to raising even more this year!

-The Middle School Relay for Life Committee
